

Project Closure Documentation

I accept the software project as designed and built by computer science students enrolled in Grand Valley State University's School of Computing Senior Project courses (CIS 467). It is understood that the project has been performed by senior computer science students of the School of Computing. GVSU assumes no liabilities associated with the design and implementation of the project. The project is a requirement for the senior project course of the School of Computing.

The project is accepted by Meghan E. Fox; and adequately meets the requirements.
